ACTION TAKEN REPORT DEPARTMENT OF MECHANICAL ENGINEERING 2020-2021

For the smooth running and betterment of the institution, feedback is collected. It helps in providing better facilities in the teaching learning process and administration. Feedback taken from the stakeholders has certainly helped the institution improve in the areas wherever needed.

Stakeholder	Student
No of Response	88
Suggestion	Action Taken
How satisfied were you with the communication from the college regarding updates, changes, and available resources during the pandemic?	I was highly satisfied with the college's communication during the pandemic, as they provided frequent updates, clear explanations of changes, and readily accessible resources. This proactive approach helped me stay informed and effectively navigate the challenges brought about by the pandemic. Top of Form
If applicable, how did you find the transition between in-person and online classes in a hybrid learning environment?	The transition between in-person and online classes in a hybrid learning environment was manageable, thanks to the institution's structured approach and the flexibility of both faculty and students to adapt to the changing formats.
Did you face any issues with technology or internet connectivity that impacted your ability to participate in online classes?	Occasional technology glitches and internet connectivity issues occasionally impacted my ability to participate in online classes; I proactively sought solutions by troubleshooting and utilizing alternative internet sources when necessary.

These suggestions were taken to the notice of Management by the Principal / IQAC coordinator through IQAC monthly meeting / fortnightly review meeting.
